

AUGUST WINE CLUB

featuring

? Brown Bag Mystery Wine Tasting ?

The Concept:

A blind wine tasting is a great way to bring some excitement and fun to our next wine club. It is a wine tasting theme which can be educational, enlightening, surprising, humbling and even hilarious. So, what is a blind tasting? A blind tasting is a wine tasting arranged so that the people assessing the wines do not know what the wines are until after they taste them! You would be surprised by how much many of our experience and judgement of wines is influenced by the knowledge of the producer, region, price or even the appearance of the label or bottle. A blind wine tasting takes that all away so that you can objectively (as much as possible with wine) assess the quality of a wine without these biases coming into play. There are also many games or challenges that a blind wine tasting can offer which makes this wine tasting theme even more fun.

The Format:

We will present each wine without the usual information, serve the food pairing, and then ask attendees to guess the wine varietal and region. (Hint: *the food pairings should help in deciding the varietal.*) The more specific you can be about your guesses will earn you prizes, if answered correctly.

As always, we will pour 4 different, unique wines that will artfully paired with chef-inspired food courses.

Tuesday, August 7th – 7:00 PM
