EVOLUTION
SPARKLING
méthode champenoise

Evolution **Brut Sparkling** comes across as dry due to the bubbles and acidity in the finished wine, making a vibrant wine that dances on the palate. This sparkling wine expresses aromatics of apricot, green apple, Bosc pear, with hints of white peach and citrus and a slightly creamy mouth feel. Dry on the palette, it finishes crisp and clean.

EVOLUTION
WHITE

The highly rated 18th Edition of the Sokol Blosser Evolution **White Blend** is both complex and approachable, a truly intense and flavorful blend of grapes. Floral and spicy notes leap from the glass, upon sipping, lush tropical fruits pervade the palate ending with a clean crisp finish.

EVOLUTION
PINOT NOIR

Food's best friend from Oregon's **Pinot Noir** country by a pioneering wine family - Sokol Blosser. Hints of pomegranate, cherry, cranberry and baking spice make up this silky Willamette Valley wine.

EVOLUTION
RIESLING

Evolution **Riesling** is slightly sweet at first but has a core of acidity that will wake up your taste buds and brighten any day. The notes of fresh peach, sweet apple and elderflower not only complement what you're serving but take it to a level previously unimaginable.
