BREWERY OF
COLORADO

“AVALANCHE” AMBER ALE

5.0% ABV

This classic American amber ale blends pale, chocolate, and caramel malts to create a well-rounded, flavorful beer. Caramel malts lend whispers of toffee and an enjoyable sweetness, while a touch of bittering hops gives this beer its clean finish. Crafted for balance, Avalanche is a versatile and satisfying anytime beer.

“MANGO MOSAIC” PALE ALE

5.5% ABV

Mosaic hops take center stage contributing aromas of guava, mango, and passion fruit lending a unique sweetness to the hop character of this pale ale. To build upon the tropical attributes of the hops, we've added thousands of pounds of mango puree per batch. Munich malts provide body and balance as well as a subtle sweetness that pairs with the fruit. This intermingling of ingredients creates a memorable and refreshing pale ale.

VANILLA PORTER

5.4% ABV

Real vanilla beans from Madagascar combined with caramel and Munich malts create a beer that's balanced and flavorful. Aromas of vanilla and toasted grain set the stage for mellow flavors of vanilla and dark roasted malts. Don't let its deep mahogany color fool you. Vanilla Porter is dark in color and packed with flavor, yet it is as smooth as they come and easy to enjoy at any time of the year.
